

In accordance with the CDC's guidelines that limits social gatherings, we have made the difficult decision to postpone this year's African-American Achievers awards. We look forward to celebrating our incredible honorees and their efforts to build a stronger community through the arts, entrepreneurship, community service and education on our **new ceremony date Wednesday, May 12, 2021** at the Broward Center for the Performing Arts.

In the meantime, JM Family and its subsidiaries [Southeast Toyota Distributors](#) and [JM Lexus](#) have already begun the process of making contributions of \$10,000 in each Achiever's name to the South Florida charity(ies) of their choice. We will also move forward in selecting a deserving high school student to receive a four-year scholarship to [Florida State University](#) as our 2020 Jerome Edmund Gray Youth Achiever.

Stay tuned for more details to come!
